R. Sedlmayer, J. McNutt, O. Crosby, B. Nel-
son.

Seniors

The 1955 Seniors of Payette High School have finally reached the peak of their high school education. The climb has not been easy for they have struggled through many a difficult assignment and trying responsibility.

The class officers this year are as follows: Marion Ryan, President; Bill Nelson, Vice-President; Jimalee McNutt, Secretary; Rosemary Sedlmayer, Treasurer; Owen Crosby, Class Representative.

Under the guidance of their capable officers they held a cooked food sale and a raffle to earn money for their senior sneak. Besides this, much of their time was spent planning for their commencement.

Football

Although the season's record of 6 defeats and one tie didn't show it, Coach Dailey's 1954 football team was a fighting one. The team lacked much in experience and weight which proved to be a definite disadvantage.

They did win one game by a score of 12-6 over the Weiser Wolverines only to have it nullified by a protest from Weiser because of a referee's mistake. The game was replayed and ended in a 7-7 tie giving Payette and Weiser a tie for sixth place.

They fought; they tried; they never said die.

"P"

Club

The "P" Club was a little slow in getting organized this year. As a matter of fact fifteen weeks went by before they had a meeting to elect their officers. The officers are President Dean Hilliard, Vice-President Dee Barber, and Secretary-Treasurer Jerry Brubaker. Under the leadership of these officers and Advisor Jack Dailey the club has been trying to come to the front in Payette High School. The first function the club took part in was the basketball tournament at Emmett in which the newly initiated members entertained the public with a Can-Can dance.

Varsity Basketball

Though the season's record may not point toward it, there is only one phrase that can describe this year's basketball squad, and that is: "Never say die!" This year's team was blurred with only one returning mainstay from last year's squad, Norm Gilbert, and, consequently, lacked much in experience. In spite of this and their lack of height, as usual, the Pirates always showed a lot of hustle. Many of the losses they had this year were by very narrow margins and were heartbreakers to lose.

Much improvement was shown in most players throughout the season, ultimately, we won one game from Emmett.

Last years baseball team, coached by Jack Dailey, showed the usual Payette strength in this sport. Losing only one league game to Ontario, the Pirates captured a tie for the championship with the Tigers.

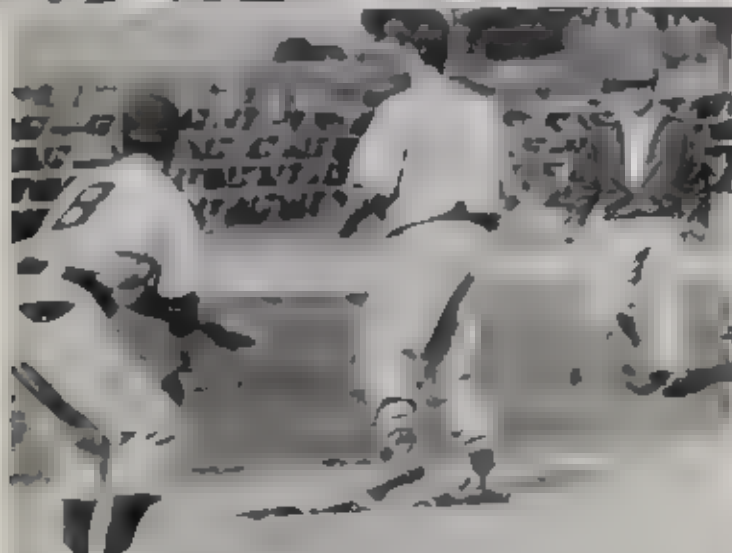

With Schmidt, Barber, Keller and other returning lettermen from this 1954 team we look forward to the 1955 season hoping for another S.R.V. championship.

Axe Staff

A year of work and worry climaxed by the publication of this book marked 1954-55 efforts by members of the Axe staff. Led by Editor Doris Gissel, Associate Editor Sonia Genoway and Business Manager Dorothy Parsons, the staff worked smoothly in an endeavor to present to students and faculty the best yearbook possible. But there were also sidelights during the year. The Axe staff sponsored its annual Axe Frolic and the Alumni-Christmas dance as fund raising activities. Mr. Leo Palumbo was the faculty advisor.

Radio Class

The chief function of the Radio Class this year has been the opening of KPHS, the High School broadcasting station. In order to raise money for this purpose the girls challenged the boys to a contest to see which side could earn the most money. The girls won the contest by selling concessions at games, by selling candy in the halls at noon and by sponsoring a Talent Show. As an admission of defeat the boys treated the girls to supper.

In addition to opening KPHS the Radio Class spent much of its time writing and producing plays and writing themes.

I hate to see a good friend and companion like you leave us. I don't know what I'll do next year without your able guidance. You sure did a lot this year for Key Club and this school. I hope you do as well in life as you did in school. I hope I'll see you in the future but be good and take care of yourself. Hi Duane!
